

# TALENT SHOW!

California Western's annual talent show is here! This marvelous event is open to all students, faculty, and staff. Actual talent is not a requirement. As long as you are entertaining, or funny looking, or both.

Do you juggle? Do you dance? Do you dance while juggling? Are you in a band? Are you with the band? Are you one of those people who can do gross things with your double jointed appendages? Do you play air guitar? We are looking for you, oh talented one.
